RE: **Committee to Elect Alan Grayson - Forms 1 & 2
and prior Request for Password for Electronic Filing**

Dear FEC:

I am a Democratic candidate for Congress in FL-8. I had difficulty filing Forms 1 and 2 this week. As I explained to Mr. Lally, since I already have raised more than \$50,000 (personal contribution), it was my understanding that I was required to file these forms electronically, which led to this "Catch 22":

- Electronic filing requires a password.
- Getting a password requires an FEC ID.
- To get an FEC ID, you have to have already filed.

Therefore, per the staff's suggestion, I faxed the forms, and the password request. I was informed the following day that I need to send the originals, so I am sending them by Federal Express. I would very much appreciate it if you would call (407-297-9650) or e-mail (mail@graysonforcongress.com) to confirm issuance of the FEC ID. Thank you very much.

Sincerely yours,

Alan Grayson, Candidate
Committee to Elect Alan Grayson
